| Plastic surgery - 9,14 | |

Any item listed here may be borrowed free of charge from the Bureau of Information of the National Society for Crippled Children. Additional literature on any of the subjects discussed will be sent to any interested person upon request.

Articles appearing in this Society's bimonthly magazine, THE CRIPPLED CHILD, or in the bimonthly news letter, THE CRIPPLED CHILD BULLETIN, are not listed in this bulletin.

A complete index for this volume will be issued at the end of the year. Information on periodicals in which articles listed in this issue originally appeared is given on Page 7.

Issued monthly to affiliated state and local societies for crippled children, state agencies engaged in the treatment, education or vocational rehabilitation of cripples, and public or private institutions and agencies having Institutional Membership in the National Society for Crippled Children. Available to others at 50¢ a year.

1. American Occupational Therapy Association. The Occupational Therapy Yearbook, 1944. 175 Fifth Avenue, New York 10, N. Y. 50 pp.

Supplement to the Occupational Therapy Yearbook, 1943, giving revised data on the professional association and schools, and a list of newly registered therapists.

2. Ashe, Harold J. Public School Aids Army Hospital. The American School Board Journal, Nov., 1944. 109:5:52.

On Northrop Aircraft's employment program. [See also article 42.]

3. Baller, Warren R. and Worcester, D. A. Development of the Field Clinic for Psychological Service in Nebraska. Journal of Exceptional Children, Jan., 1945. 11:4:100-104.

The psychological clinics conducted by staff members of the University of Nebraska Department of Educational Psychology and Measurements have been integrated with the University's study-center extension courses and have served to prepare local teachers for better service to exceptional children. The University's Speech Department has also cooperated in sponsoring field clinics providing both psychological and speech examinations, followed up by speech correction clinics provided by the Nebraska Society for Crippled Children. Out of the latter clinics has developed a course in speech correction for local teachers.

4. Baruch Committee on Physical Medicine. War and Postwar Rehabilitation and Reconditioning. 597 Madison Avenue, New York City 22. Dec., 1944. 28 pp. Free.

An introductory section discusses the continuing growth of physical medicine as an important factor in rehabilitation; this is followed by reports on developments of professional education for physical medicine at Harvard University, Massachusetts Institute of Technology, University of Minnesota, University of Southern California, and University of Pennsylvania. Synopses are presented of rehabilitation programs of the U. S. Army, U. S. Navy, Veterans Administration, and federal-state vocational rehabilitation services for the civilian disabled. Activities of the National Research Council's Committee on Convalescence and Rehabilitation are outlined.

5. Boger, William P., M.D. Pneumococcic Arthritis. The Journal of the American Medical Association, Dec. 23, 1944. 126:17:1062-1065.
6. Carlson, A. J. and Lerrigo, Marion O. The March of Facts. The Journal of the National Education Association, Jan., 1945. 34:1:16.

Discusses students' confused thinking about the seriousness of poliomyelitis.

7. Children's Bureau Makes New Regulations Regarding Services to the Crippled, The. The Journal of the American Medical Association, Dec. 30, 1944. 126:18:1154.
8. Cox, George W., M.D. What Can Teachers Do About Infantile Paralysis? The Texas Outlook, Jan., 1945. 29:1:27-28.
9. Crichton, Kyle. New Faith at Valley Forge. Collier's, Dec. 16, 1944. 114:25:20-21, 80.

Illustrated article on plastic surgery at the Army's Valley Forge General Hospital.

10. Crippled Children's Association of South Australia, Inc. Fourth Annual Report and Financial Statements for Period 1st May, 1942 to 30th April, 1943. 104 Gawler Place, Adelaide, South Australia. 19 pp. 1943-1944.
11. Currier, Isabel. Careers for the Handicapped. The Shut-In's Companion, Dec., 1944. 2:3:7-8. [Reprinted from Coronet, July, 1944.]

How three patients at the Boston Hospital for the Physically Incurable started a greeting card business.

12. Davis, Maxine. Scourge of Mankind; Syphilis and Penicillin: What the New Drug Can, and Cannot, Do. Good Housekeeping, Nov., 1944. 119:5:29,205-207.
13. Disability Discharges. The Bulletin of the U. S. Army Medical Department, Dec., 1944. No. 83, pp. 52-55.
14. Distler, Theodore A. Mending Cleft Palates. The Rotarian, Jan., 1945. 66:1:29-30.

The Lancaster, Pennsylvania, Rotary Club's Crippled Children Committee sponsors a Cleft Palate Clinic and speech correction classes for all case children and adults, in their community.

15. Edwards, Maj. Joseph C.; Shapiro, Capt. Morris A.; and Ruffin, Capt. Jennings B. Trench Foot - Report of 351 Cases. The Bulletin of the U. S. Army Medical Department, Dec., 1944. No. 83, pp. 58-66.
16. Estabrook, Arthur H. The Returning Veteran. Public Charities Association of Pennsylvania, 311 South Juniper St., Philadelphia 7, Pa. 32 pp. June, 1944.

Includes data on rehabilitation services available in Pennsylvania.

17. Faulkes, W. F. [Compiler.] Proceedings of the Institute on Vocational Rehabilitation, Held at Memorial Union, University of Wisconsin, July 10-14, 1944. Rehabilitation Div., State Office Bldg., Room 320, Madison. 78 pp. Mimeographed.

Among the speakers and addresses reported in these proceedings are: Tracy Copp, "Principles and Provisions of New Federal Legislation for Vocational Rehabilitation"; Dr. Frances A. Hellebrandt, "Physical Rehabilitation of the Injured"; Marjorie Taylor, "Relations Between Physical and Occupational Therapy"; Mary D. Booth, "Analysis of Common Vocational Activities Used in Rehabilitation"; Peter Parisi, "Basic Analysis of Power Factors in the Treatment of the Injured Workman"; Meryl M. Miles, "Disability Evaluation"; Dr. Chester M. Kurtz, "Rehabilitation of Cardiac Patients"; Mrs. Mary Huber, "Re-Education of Brain Injured Patients"; Dr. Norman Cameron, "Psychology and Treatment of the Injured and Handicapped"; Theodore L. Torgerson, "Case Problem Analyses Through Clinical Techniques".
